Patient: Ms Sandra Whitfield
DOB: 08/02/1953
NHS Number: 999 744 7964
Address: 114 Kestrel Way, Crowthorne, Berkshire, RG45 6LT

Dear GP,

The above patient has completed a course of physiotherapy for chronic low back pain with limited benefit. Examination today raised persistent nocturnal pain. **We would recommend GP review and consideration of further investigation / onward referral.** We have discharged them from our service.

Yours sincerely,

J Meredith MCSP
Senior Physiotherapist
Berkshire Community Physiotherapy Service
