NHS BREAST SCREENING PROGRAMME

Patient: Mr Omar Carmody
DOB: 27/08/1989
NHS Number: 999 663 5163
Address: 81 Crowthorne Road, Crowthorne, Berkshire, RG45 8PB
Screened on: 22/03/2026

The above patient attended for routine breast screening. **Result: SCREENED — ROUTINE RECALL.**
Opinion: no significant radiological abnormality. The patient has been informed and will be invited again in three years. Please note: although imaging is the best method for detecting breast cancer, it cannot detect all cases; new symptoms warrant re-assessment.

Yours sincerely,

Screening Office
